

Prestige™ *Protect Tube*

Tube with all advantages of our patented airless-technology!

Prestige™ Protect Tube – whether plastic or aluminium – unites many top advantages in one packaging:

- ▶ The outlet with a closing membrane prevents a contamination and dehydration of the filling!
- ▶ High-quality active agents are discharged in a sparing, controlled and hygienic manner.
- ▶ The user-friendly softtouch offers a convenient and hygienic product application.
- ▶ The dispenser system works in every position (360° dispensing) and is suitable for various viscosities – from liquid to paste – like.
- ▶ Aluminium packaging is unbreakable, clean and light.
- ▶ Aluminium can be recycled infinitely.
- ▶ Aluminium has excellent barrier properties: light, humidity, air and germs stay outside!
- ▶ Forms, colours, decorations and effects are almost unlimited!
- ▶ We offer various decoration options:
 - ▶ Coloring, unique for the softtouch
 - ▶ Silk-screen printing
 - ▶ Embossing
 - ▶ 6-color offset-printing
 - ▶ Varnishing
 - ▶ Lasering
- ▶ Dosage
 - ▶ 0,2 ml
- ▶ Sizes
 - ▶ 50 ml Ø 35 × 91 mm
 - ▶ 75 ml Ø 35 × 127 mm
 - ▶ 100 ml Ø 35 × 151 mm
